

Sprayer has been through our shop.

Few of the major things done to the sprayer are as follows:

- New tie rod ends
- Left hand breakaway boom and hinge pin
- New axle king pins
- Replaced all 1/2 and 3/8 inch hoses from the chemical injection pumps
- New flow meters
- Machine has been winterized
- Numerous valves and strainers replaced

#### Additional Information

Extended Warranty (Powertrain) 60m/2500h 01 Apr 2015 USD-500 Deductible
