Sold one Mercedes Model OM502 LA engine out of a fire damaged Krone Big X 650 Chopper

Serial number: 942.991-00-486854

Year 2007

Will need an oil pressure sensor and a short repair on the wire harness going to the oil temp and pressure sensors. We had to use these on our machine to get going one day.

The chopper had approximately 600 hours on the engine when the fire occurred in September 2013.

It had no issues at the time of the fire and should have none at this time, however it will be sold with out warranty.

Price: \$29,700 picked up in our yard.

If this is acceptable, Please print a copy and sign and return with payment upon pick up.

Thank you for your business.
