SERVICE ORDER: 277950

WO#: 429103 SV TWINE ARM

Comments:

Ordered gearbox cased. Installed new shield on drive shaft. Greased power shaft. Took shaft to Glade's to have turned. R & R clutch hub & disk. R & R plate between disk. Adjusted twine arm gear so would come back to home. Adjusting bolt broken. Welded. Top timing plate bent. Straightened. Rebuilt gearbox & installed. R & R slip clutch. Installed new gears on shaft. R & R 2 sockets on cross shaft. Installed Teflon bushing between slip clutch gear & back of slip clutch. Added gear lube to gear box. Adjusted twine arm indicator.

WO#: 537292 SV GEARS FOR TWINE ARM-GEARS SHEA

Comments:

Checked for damage to gears on twine arm. The one piece was over \$700. The other piece is not longer available. Customer was going to see if he could find repairs. Got twine arm, shaft, jack shaft & gear from salvage yard. Removed old twine arm & jack shaft. Sanded paint off old shafts to remove them. Did same to salvage parts. Cleaned bushings & sanded. Installed salvage twine arm, shaft & gear. Straightened top plate & bushings. Installed. Cleaned bushing. Installed jack shaft & gear. Timed gears. Greased 3 bushings. Installed cylinder. Adjusted twine knife. Greased baler. R & R actuator for tail gate.
