**DISCLAIMER OF WARRANTIES**

Any warranties on the products sold are those made by the manufacturers and not of this machine shop. This machine shop neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of said products. The person assembling parts to motor is responsible to check for correct fit of parts and proper oiling (for prevention of seizure).

This machine shop is not responsible for cracked or worn rocker arms or push rods, not responsible for broken or cupped valves, end locks in pistons and valve locks on valves have been checked for wear, not responsible for valve locks coming out. Rebuilt cylinder heads and short blocks are guaranteed for a period of 90 days against low compression and low oil pressure only (only if short block assembled by machine shop and recommended break in procedure followed including recommended break in fluids).
