This machine is being sold AS IS, without warranty by the seller. Before placing the unit into service:

- 1) Complete an Annual Machine Inspection and all other maintenance and inspections as specified in the units Operation and Safety Manual and the Service and Maintenance Manual.
 - 2) Comply with all relevant governmental and regulatory inspection requirements.
 - 3) Contact the manufacturer to update ownership records and check that all safety related bulletins are complete.
- Failure to follow these instructions could result in death or serious injury

When operated in California, any off-road diesel vehicle may be subject to the California Air Resources Board In-Use Off-road Diesel Vehicle Regulation. It therefore could be subject to retrofit or accelerated requirements to reduce emissions of air pollutants. For more information, please visit the California Air Resources Board website at <http://www.arb.ca.gov/msprog/ordiesel/ordiesel.htm>

Subtotal: USD 54,000.00
Tax: .00

PLEASE PAY THIS AMOUNT USD 54,000.00
