Power Steering...	Power Steering Fluid	2	qt		
ELC	CAT Extended Life Coolant (Antifreeze)	28	qt		
Transend	Synthetic Auto. Transmission Fluid	5.5	gal		
	TOTAL PARTS				
	Check engine out for flood damage--3126 CAT ingested water while running				
	Remove valve cover and fuel injectors in an attempt to bar engine over Crank shaft will turn one tooth at a time with great effort. Believe one or more connecting rods were bent.				
	R&R engine with a complete reman.--2 year limited warranty.				
	Transfer engine ECM, alternator and air compressor				
	Fabricate brackets to move air cleaner assembly above valve cover, should make it much harder for engine to ingest flood water				
	Change differential lube. Service automatic transmission. Change power steering fluid. Drain compressed air tank. Check for water in fuel tank				
	Reassemble engine core				
Labor	TOTAL LABOR
