Term, start, end dates, rental rates, and sales tax are all approximated and subject to change. Hayden Machinery, LLC reserve the right to replace equipment with "like" equipment at any time. The rental rate for Equipment covers normal use only not to exceed 8-hours/1day, 40 hours/week, or 160 hours/month, based on 20 working days. Any excess hours will be charged at the designated Overtime Rate (OT Rate). Equipment returned that require fuel, cleanup, repair work or replacement parts due to unusual wear & tear will warrant additional charges. Should you not provide Hayden Machinery, LLC with physical damage insurance coverage, a Loss Damage Waiver fee of 14% of the rental charge will be applied. Applicable sales tax, property and environmental fees to apply. Use only Low Sulfur Diesel(ULSD). Applicant agrees this be a Schedule to the Rental Agreement. Upon signing or electronic acceptance, customer is accepting the equipment, including attachments, in "AS IS" condition, agreeing to notify Hayden Machinery, LLC within 24 hours of any damages or discrepancies found upon receipt of equipment.
