TRIMAX FLAILDEK/FX

The Trimax FlailDek FX offers a high-performance alternative to standard factory-fitted rotary mowing attachments.

FlailDek FX has the ability to deliver an exceptionally clean cut and disperse clippings safely and is used by contractors, councils, schools and land owners around the world. A highly versatile mower, FlailDek FX is also able to mulch branches up to 1 inch in diameter, mow high grass and using the optional converter flap is suitable for sports turf and other fine turf applications. The FlailDek FX has been designed to have minimal maintenance requirements and a low total cost of ownership yet deliver maximum reliability.

SPECIFICATIONS	135	155	185
Cutting Width	4' 6" (1.36m)	5' (1.52m)	6' (1.83m)
Overall Width	5' 1 1/2" (1.56m)	5' 8" (1.72m)	6' 8 1/2" (2.05m)
Overall Length	3' 7" (1.1m)	3' 7" (1.1m)	3' 7" (1.1m)
Overall Height	1' 2 1/2" (0.37m)	1' 2 1/2" (0.37m)	1' 2 1/2" (0.37m)
Cut Height Range	3/4" - 4" (20 - 100mm)	3/4" - 4" (20 - 100mm)	3/4" - 4" (20 - 100mm)
Approx. Weight	460lbs (210kg)	495lbs (225kg)	550lbs (250kg)
Total Belts	2	2	2
No. of Flails	28	32	40
Min PTO Output	N/A	N/A	N/A

**Minimum PTO output vary between tractor brands*

This year I could not have coped without anything other than a Trimax FlailDek, it's versatile, cuts rough and fine grass even in the wet conditions and copes with it easily.

WHAT'S NEW ON FLAILDEK/FX

Strength and durability are increased from the original FlailDek design with the incorporation of a high tensile steel body, a 70% stronger rotor, a stronger gearbox, and forged steel Trimax Gamma Flails. The unique converter has also been added.

INDUSTRY LEADING WARRANTY

3 YEAR

INCLUDES SPINDLES & GEARBOXES
EXPERIENCED SERVICE & SUPPORT NETWORK

PRODUCT FEATURES.

REAR ROLLER

Full width rear roller prevents scalping, permits the edge of the mower to be run along curbs, adds to overall safety and produces striping.

POWER SAVING FLAILS

Strong forged steel flail with an aerodynamic profile reduces hp requirements yet generates sufficient draft to lift grass for a clean cut.

NEW IMPROVED ROTOR

Dynamically balanced and designed for durability to withstand everyday use in the toughest mowing environments.

SAFE CLIPPING DISPERSION

Safety is paramount when mowing in public areas. This is why Trimax has designed the FlailDek FX to expel debris in a downward direction behind the mower.

FRONT CASTOR WHEELS

Front castor wheels allow the FlailDek FX to follow ground contours independently from the tractor. The semi-pneumatic tires are impossible to puncture.

WEAR RESISTANT SKIDS

Wear resistant trailing skids made from abrasion-resistant steel extends bearing life and enables high productivity in the most challenging environments.

*OPTIONAL FEATURES.

✓ UNIQUE CONVERTER

Change the position of the converter flap to suit your application. Go from mowing to mulching in seconds.

✓ ON-CALL KIT

Each kit contains bearings, blades, and belts for a quick replacement in the field.
